

Want to keep your ALCF account?

ALCF strongly encourages interested ATPESC participants to continue to use Mira and Vesta for their research efforts. The ATPESC project will be extended for a limited time after the program, until October 31, 2014

Here's how you can keep your Cryptocard:

- ⦿ Send an email to accounts@alcf.anl.gov with the subject:
 - ⦿ ATPESC 2014 - Please extend account for <username>
 - ⦿ extending 593s for foreign nationals is not an issue as long as your INS documentation is valid until Nov 1st
 - ⦿ Details on next slide

and - if you are interested

- ⦿ Apply for a Director's Discretionary allocation to ensure an active account beyond October 31!

⦿ <http://www.alcf.anl.gov/getting-started/apply-for-dd>

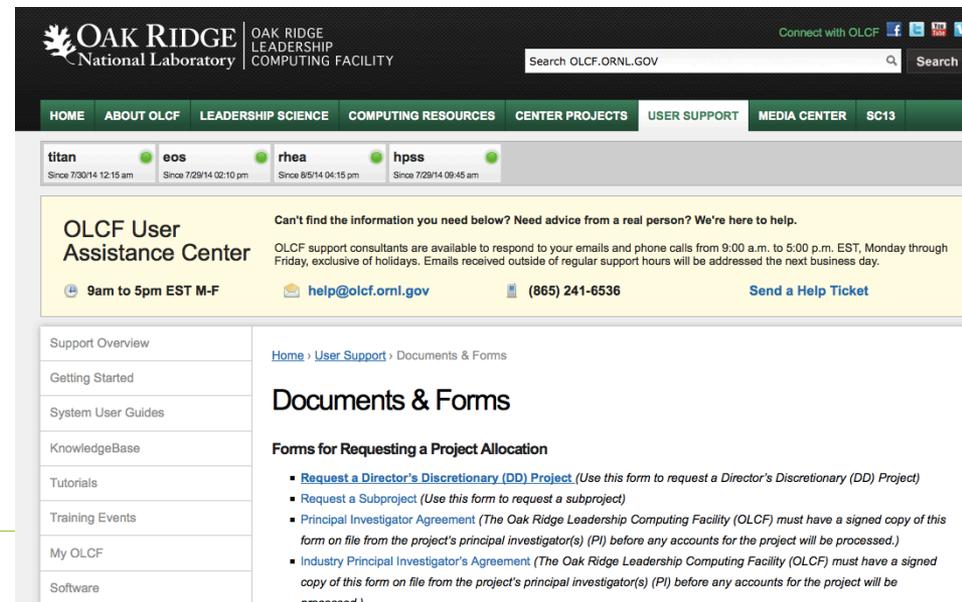

Extending 593s for foreign nationals

- ⦿ Please re-check your account information here:
<https://accounts.alcf.anl.gov/accounts/account.php>
- ⦿ Specifically: 'Citizenship Information' section
- ⦿ Note that accounts.alcf.anl.gov does **NOT** use cryptocard - you set this password when you created an account
 - ⦿ Call 866-508-9181 to reset the password if you have forgotten it
- ⦿ Margaret Kaczmariski may contact you for additional paperwork

Getting time on Titan

<https://www.olcf.ornl.gov/>

- You can request time on Titan through our Director's Discretion Program
- Typically the program awards 1-3M Titan core hours
- Aimed at pilot projects, GPU porting, INCITE/ALCC prep and more
- Under User Support Tab, choose Documents and Forms
- Fill out webform

The screenshot shows the OLCF User Assistance Center website. At the top, there is a navigation bar with tabs for HOME, ABOUT OLCF, LEADERSHIP SCIENCE, COMPUTING RESOURCES, CENTER PROJECTS, USER SUPPORT, MEDIA CENTER, and SC13. Below the navigation bar, there are four status indicators for 'titan', 'eos', 'rhea', and 'hps' with their respective last update times. The main content area features a yellow banner for the OLCF User Assistance Center, providing contact information and a search bar. Below the banner, there is a sidebar with a 'Support Overview' menu and a main content area titled 'Documents & Forms'. The 'Documents & Forms' section includes a list of forms for requesting a project allocation, such as 'Request a Director's Discretionary (DD) Project' and 'Request a Subproject'.

Forms for Requesting a Project Allocation

- Request a Director's Discretionary (DD) Project (Use this form to request a Director's Discretionary (DD) Project)
- Request a Subproject (Use this form to request a subproject)
- Principal Investigator Agreement (The Oak Ridge Leadership Computing Facility (OLCF) must have a signed copy of this form on file from the project's principal investigator(s) (PI) before any accounts for the project will be processed.)
- Industry Principal Investigator's Agreement (The Oak Ridge Leadership Computing Facility (OLCF) must have a signed copy of this form on file from the project's principal investigator(s) (PI) before any accounts for the project will be processed.)

How to Get Access to NERSC Resources

- ⦿ “ERCAP” allocations process
 - ⦿ 80% of compute hours allocated by DOE program managers to projects doing research within the DOE mission
 - ⦿ 10% allocated through ALCC (high-risk, high-payoff)
- ⦿ NERSC Director’s Reserve for strategic projects
 - ⦿ 10% of computer time (250 M hours)
- ⦿ Startup Projects
 - ⦿ Investigate how your code will run on HPC systems
 - ⦿ At NERSC’s discretion
 - ⦿ Up to 50 K hours for 18 months

Apply for your first NERSC allocation:
