Safety and Emergency
In case of a tornado warning requiring shelter, move to the washrooms or catering area. Stay away from any doors.

Public Events
In the event of a fire or evacuation announcement, evacuate through the main conference center door and go to the visitor’s center.

Private Events
In the event of a fire or evacuation announcement, listen for brief instructions about evacuation and relocation. If no instructions are given, evacuate through the main conference center door and go towards the south through the side parking lot gate to the relocation area – B241 overhang area – follow the crowd.

**EMERGENCY EVACUATION**
